MARKET ANNOUNCEMENT
3 August 2006

The Board of HFA Holdings Limited (HFA) has become aware of speculation in the market that HFA is contemplating an acquisition. The Board wishes to clarify this matter. It is keen for the company to expand its funds management business both organically and through acquisition. HFA shall evaluate all reasonable opportunities to expand its business. If and when HFA finds an acquisition that seems a suitable fit for its business and is viable, and which has the prospect of success, the company will inform the market.
